

Methodist University Hospital

PGY2 Emergency Medicine Specialty Residency

Overview

Methodist University Hospital offers a new postgraduate year two (PGY-2) residency in Emergency Medicine (EM) Pharmacy Practice. The purpose of the program is to provide the resident with the knowledge, skills and attitudes required to achieve potential excellence as a clinician, educator and scholar in the area of emergency medicine. Our institution is home to a brand new 56 bed Emergency Department that sees approximately 65,000 patients per year. In addition, our institution has a 24-bed medical intensive care unit (ICU), an 8-bed surgical ICU, an 8-bed transplant ICU, a 16-bed neurocritical care unit, and a 16-bed cardiac surgery ICU. Residents have the opportunity to complete a rotation in trauma ICU at an off-site institution in downtown Memphis. Residents are expected to perform independently and demonstrate proficiency in their rotations. The residency preceptor provides guidance and assistance to the resident and ensures that the goals set forth by the resident and the program are met. The preceptor also provides the resident with frequent evaluation of their progress, including a written evaluation at the conclusion of the rotation. All residents are expected to demonstrate self-initiative, independent learning skills, and effective communication skills throughout the residency. Frequent, clear communication is the key to a successful resident/preceptor relationship.

Program Expectations

- Provide clinical pharmacy services to patients in the emergency department
- Co-precept pharmacy students and PGY1 residents
- Initiate, complete, and present a practice-based research project at a regional or national meeting, as well as submit for publication
- Provide effective drug education to patients, caregivers, and health care personnel
- Develop and deliver an ACPE-accredited CE presentation as well as 1 lecture at University of Tennessee College of Pharmacy
- Support hospital and pharmacy quality and safety initiatives
- Successfully achieve residency learning goals and objectives as required or elected

Learning Experiences

Core Rotations

- Orientation
- Adult EM - University Hospital (4 months)
- Trauma (off-site)
- Research

Electives

- Infectious Disease
- Internal Medicine
- Cardiology
- Ambulatory care
- Pain and palliative care

Longitudinal Experiences

- Toxicology Monthly Conference
- Research Development Series
- Weekly Resident Conference
- Critical Care/EM Pharmacy Conference

Critical Care Selective (must complete one)

- Medical ICU
- Neuro ICU

Emergency Medicine Selective (must complete one)

- Adult EM - Germantown Hospital
- Pediatric EM- Le Bonheur Children's Hospital

Be treated well.

Learning Experiences *(continued)*

Additional Learning Experience

- EMS ride along with Memphis Fire Department
- Teaching certificate (optional)
- BLS/ACLS/PALS provider course
- ACLS instructor course

Staffing and On-Call Experience

- Serve as clinical on-call backup preceptor (approximately every 8 weeks)
- Pharmacy Practice Staffing (36 shifts per year)

Core Rotation Preceptors

Preceptor	Practice Area	Residency Training
Allysin Berg, PharmD	Emergency Dept. - Le Bonheur Children's Hospital	PGY2 Pediatric Critical Care Children's Hospital of Colorado
Stephanie Davis, PharmD, BCPS	Emergency Dept. - Germantown Hospital	PGY1 Methodist Healthcare-University Hospital
G. Morgan Jones, PharmD, BCPS	Neurocritical Care - University Hospital	PGY2 Critical Care The Ohio State University Medical Center
Lauren Kimmons, PharmD, BCPS	Medical ICU - University Hospital	PGY2 Critical Care Methodist Healthcare-University Hospital
Ana Negrete, PharmD, BCPS	Emergency Dept. - University Hospital	PGY2 Critical Care Charleston Area Medical Center
Tara Parish, PharmD, BCPS	Emergency Dept. - Germantown Hospital	PGY1 Midwestern University
Rebecca Regan, PharmD, BCPS	Emergency Dept. - Le Bonheur Children's Hospital	PGY2 Pediatric Pharmacotherapy- Le Bonheur Children's Hospital
Jessica Rivera, PharmD, BCPS	Emergency Dept. - University Hospital	Clinical Toxicology/Emergency Medicine Fellowship – Florida/USVI Poison Information Center
Jennifer Smith, PharmD, BCPS	Emergency Dept. - University Hospital	Transplant Fellowship Emory University Hospital
Megan Van Berkel, PharmD, BCPS	Emergency Dept. - University Hospital	PGY2 Critical Care The Ohio State University Medical Center

Salary

Salary is approximately \$45,000 and is paid on a bi-weekly basis.
